Dear Parent,
Warm Greetings!

This is the opportune time of the year to send our **Heartiest Congratulations** your way for the fantastic board results (**AISSCE & AISSE-2024**) of our students. The outstanding feat has been attained simply due to the following practices:

- ❖ **Hardwork, dedication, perseverance of the learners and commitment of the teachers.**
- ❖ **Partnership of teachers and parents (understanding, trust, and shared vision for the child).**
- ❖ **Time tested teaching and evaluation methodology and monitoring of students' progress' on a regular basis.**
- ❖ **Category wise (exceptional average & below average) counseling and personal attention imparted to students to enhance their performance.**
- ❖ **The Head of the Institution showering blessings and seeing off each examinee at the exam center on the commencement of board examination (building confidence and warding off fear)**

The excellent result in all three streams is a reason for all of us to be euphoric.
