Ref. No. – DPS/RNC/09

NOTICE

All the teachers from Classes VI to XII are hereby informed that the teacher who has a class immediately before the break shall continue to stay in that class for the entire duration of the break, and may leave only once the break is over.

Teachers are further advised to utilize this time meaningfully for the holistic development of students by engaging with them and guiding them positively during the break. This presence and constructive interaction will help inculcate good habits, strengthen discipline and foster a more responsible school environment.
